UNIVERSITY OF HELSINKI

Certificate of Attendance

This is to certify that Eduard Klyshinskiy attended a five days internship at University of Helsinki in June 4-9, 2018.

During his internship he has extensively discussed the following topics: keyword and term extraction, lexis generation, NLP application, creating software for corpus research, and digital humanities. Eduard Klyshinskiy also demonstrated perfect teaching skills when working with laboratory staff at the University of Helsinki.
